## From the Pastor's Heart

WOW! Here we are at the beginning of a new year. In this issue of the *Kaleo* you will discover upcoming discipleship and ministry opportunities. I am excited about what God has laid out before us as we start this year. Please take time to look at the highlighted opportunities on the other pages of this issue of the *Kaleo*.

Men we are eager for a time building brotherhood among us. The relationship between Christian men is unique and vital to our growth as men of God. Our first ever men's retreat is less than a month away. February 3-4 will be a perfect opportunity for us to get away to the North Georgia Mountains where we will share time in God's Word and invest in each other. We will be using some of Johnny Hunt's Men's Con-

ference via simulcast for portions of our time together.

Also allow me to call upon all of us at Living Faith to take part in Focus on the Family's **Truth Project**, beginning the weekend of January 20. We will offer 2 opportunities each weekend. You can choose which session works best for your schedule and may participate in either the Friday or Sunday evening session. I cannot impress upon you enough how incredibly formative this material is for a follower of Christ. The challenge to take on a Biblical Worldview is vital to your spiritual development, maturity, and place in God's Kingdom. Come join me and others as we share this journey together to begin 2017.

God has called us to become a people living in the presence of God, loving and caring for each other, together taking Christ's love to the world.

We seek to become this type of family of faith by committing ourselves to three teachings of Jesus our Savior:

Worship the Lord God

Reaching the Pinyin People of Cameroon

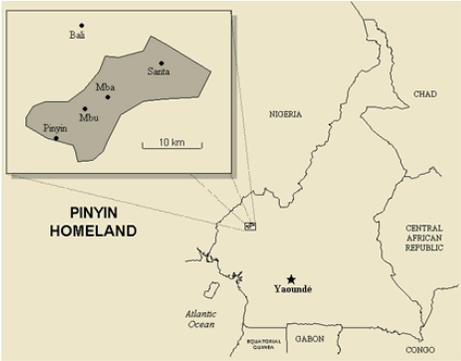

2017 is going to be a great year of reaching the Pinyin. We have adopted this people group as a church to get the Gospel to them through the vehicle of the Jesus Film. The production of translating the Gospel of Luke into their language, thereby becoming the script of the Jesus Film and then recording the voices for the film for final production is a \$38,000.00 project.

Cameroon is a country in West Africa neighboring Nigeria, Chad and the Central African Republic. The Pinyin are located in the Western region of Cameroon near the Nigerian border. Cameroon is one the nations that Boko Haram, the African Branch of ISIS, is targeting. The time is now to reach these people with the Gospel. Please continue to pray and give toward the production of the Jesus Film.

The Pinyin team is very excited that God has given the opportunity to record the Jesus Film in another language! Here are three specific requests in regards to the project.

- 1) Our in-country contacts are at a conference and will be traveling a long distance to meet us. Please ask God that they wouldn't encounter any obstacles on the return trip so that we can begin the recording on time.
- 2) Pray that the hearts of of the people in the community would be prepared for and receptive to the Gospel. We have heard that there tends to be a lot of ancestral worship in this area.
- 3) Ask that God would open our eyes to opportunities that we have to be a blessing to the local people and show them the love of Christ through our actions.

Your prayers are greatly appreciated. May God bless you for playing such an amazing role in the fulfillment of the Great Commission!
